Information

ND SAVIN is a free, 24-hour, confidential service providing information and notification.

Call 1-866-631-8463 or visit www.vinelink.com and follow the instructions to access custody, probation/parole, court, or sex offender information.

Registration

You can register to receive notifications by phone, email and text messaging.

If registering a phone number, you will be asked to create a four-digit personal identification number (PIN) that will be used to confirm that the call was received. Make sure your PIN is easy to remember.

Notification

Custody, Probation & Parole Status

You will be notified about the following events:

- Custody for county jails and Department of Corrections & Rehabilitation: Release, Transfer, Escape, or Death
- Probation & Parole: Abscond, Revocation, Change of Address, Discharge, or Parole Board Review & Outcome

Court Case Information

You will be notified about upcoming court events such as case status, dispositions, or hearing changes for scheduled court events.

Sex Offender Information

You can register to receive notifications regarding a specific sex offender and be updated when that offender moves, has status updates, or has reporting compliance changes.

When SAVIN calls, listen to the message, then enter your PIN followed by the pound (#) key when asked. Entering the PIN lets the service know that you received the call and will stop the service from calling you again.

Your four-digit PIN

- If you feel you are in danger, call 911 immediately.
- SAVIN is confidential. The offender will not know you are registered with this service.
- Since SAVIN calls automatically when an offender's custody status changes, you may get a call from SAVIN in the middle of the night.
- Write down your PIN and keep it in a safe place. For safety reasons, do not share this information with others.
- If you do not answer a notification call, SAVIN will leave a message. If there is no answer, SAVIN will continue calling back until you enter your PIN or until up to 48 hours have passed.
- Do not register a phone number that rings to a switchboard.
- You can register multiple phone numbers, email addresses, and cellular numbers for notifications.
- If you forget your PIN, call the toll-free number and press zero. You will be transferred to an operator who can help you reset your PIN or cancel notification.
- Operators are available 24 hours a day, seven days a week to assist you.
